PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 01/03/2022, 01/13/2022 and 02/17/2022.

On June 7, 2019, a supervision intake was completed. Mr. Watlamett signed a copy of his judgment, acknowledging an understanding of the conditions imposed by the Court.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

8 **Special Condition # 16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged that Tyrone Watlamett violated the terms of his supervised release by consuming a controlled substance, methamphetamine, on or about May 10, 2022.

Mr. Watlamett is enrolled in random drug testing at Pioneer Human Services (PHS). He is expected to call the testing line daily to determine if he is required to report for drug testing that same day.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.
